- Date with Diego. Dom route (bottom and top). Talk to him at The Pulse > Take me on a date.
- Addded 2 scenes when whoring Rylan at the Panda Inn.
- Get Bull's cum part 3 talking to Krixus at the Frat, sub route.

ART

- Arthur on all fours + a lot of toys.
- Several icons for items.

NEW ITEMS

- Lesser Lust Potion
- Lesser Restraining Potion
- Pup Collar. You need to buy this on Akra for new Arthur's scene.

I did not forget of Snake... I just couldn't do it. In the next version I want to catch up on my backlog.

That's all. Hope you like it!
