Version 0.52

NEW CONTENT

- You now have a 60% chance of getting pregnant by **Mako**.
- After talking to **Mako** about E'kara, you can go look for her using the “Wander around” option.
- New battle: **Prarr Ma'Shakal**. You'll need your party full... (Please let me know if I made it too hard...) All the sexual outcomes in this battle have been completed (submissive MCs only, since I'm still not sure how to make this monster a bottom, yet...)
- New "kink": Unsolicited. When you disable this, scenes in which you have no say will not trigger.
- New character extra content: **Mike**... Go to work at the Galiano Club > Mike > End shift
- If you're working the streets as a dominant top > Two new scenes if your reputation on Akra is 20 or higher.

MINOR CHANGES

- You can now see the total number of times you've gotten pregnant on the Status screen.

ART

- Prrar Ma'Shakal sprite
- Flowers from Mike will appear in your Captain's Room. Press > Explore > Jar to remove them

For upcoming updates, we will continue working on Urukai until this planet’s Praharma appears. Thank you for your support and patience!

We're looking for artists for backgrounds or character sprites. If you're an artist or know one, please DM me on Discord.
