

Crew Interactions

This section details character-specific interactions that are not part of the main story or side quests but are crucial for developing relationships and unlocking unique scenes.

Date With Rylan

You can go on a date with Rylan to formalize a romantic or BDSM relationship.

Requirements

- 20 Friendship and 20 Desire points with Rylan.
- Have landed on Sithyrya.

Before The Date

Talk to Rylan in his room and select the "date" option. You will agree to clean his room with him, where you find a dirty jockstrap. It is recommended to put it away, as this can be used in a later scene.

For the best outcome, you will need fancy clothes. You can acquire these by asking Arthur for "clothing advice." This will trigger a shopping trip on Akra.

- **Fun Scene (Arthur):** During the shopping trip, Arthur may become jealous of your date. This can lead to a sexual encounter. You can choose a dominant or submissive path. If you are submissive, Arthur will ask whose dick is better. Choosing Rylan will make Arthur punish you (no stat loss), while choosing Arthur will result in a reward.

The Date

Equip the fancy clothes and speak to Rylan in his room after 18:00 on the day after he asks you out.

- Wearing the fancy clothes gains you **Friendship +3** with Rylan.
- At the restaurant, you will be asked your opinion on Rylan's outfit.
 - "Woof woof.": **Friendship +1** with Rylan.
 - "You look fine.": **Enmity +1** with Rylan.
 - "Hideous.": **Enmity +2** with Rylan.
- When ordering drinks:
 - "Wine" or "Beer": **Friendship +1** with Rylan.
 - "Water": No change.

- "Cum": **Desire +2** with Rylan.

At the end of the date, Rylan will ask what your relationship is. You can choose one of three paths:

1. **Romantic:** Leads to a romantic sex scene (+2 Desire, +3 Friendship).
 2. **BDSM:** You can choose to be Dominant (requires 10+ Crew Respect) or Submissive. This leads to a BDSM-themed sex scene (+5 Desire). If the submissive partner is drunk enough, they will get a degrading tattoo.
 3. **Just Friends:** Ends the date platonically with no stat changes.

Arthur's Tests

You can volunteer to be a test subject for Arthur's experiments in the ship's Laboratory. This unlocks a series of detailed sexual encounters.

- **Basic Sex Test:** Your first test. You can choose to top or bottom, with options for domination or submission.
 - **Breath-Holding Test:** Involves you performing oral sex on Arthur to test your lung capacity.
 - **Cum Eating Test:** Requires you to bring Arthur 3 Cumtastic Pills. Leads to an extreme cum inflation scene.
 - **Urine Test:** A watersports scene, available if the kink is enabled in your settings.
 - **Elasticity Test:** A scene involving fisting and extreme stretching.
-

Date With Chip

You can take Chip on a date after acquiring a physical android body for him.

- **Trigger:** Speak to Chip in the ship's core after he has a body.
 - **The Date:** Chip will "reserve" the ship's lunchroom and mix you a secret cocktail. The dialogue will vary heavily depending on the outfit you are wearing:
 - **Suit Jacket & Pants:** He will be highly flattered and thank you for dressing up (**Desire +1**).
 - **Naked:** He notes that he doesn't mind, but remarks on your teasing.
 - **BDSM Harness / Slave Clamps:** He will comment that your clothes are very provocative and that he didn't plan on taking you to a BDSM club for a first date.
 - **Fun Scene (The Aftermath):** Later, the "old" dominant Chip will take over the body and visit your room with Rylan in tow. He will force you to strip and watch as he brutally throat-fucks and sodomizes Rylan. Afterwards, you are pulled into a heavy Dom/Sub threesome where Chip uses both of you simultaneously.
-

The University (Harmonia)

At the University of Magic on Harmonia, you can build relationships with professors and fellow students.

Virgil (Alchemy Professor)

- **Trigger:** After passing your first Alchemy exam, talk to Virgil in the Alchemy Lab.
- **Fun Scene:** A flirtatious dialogue option will appear, leading to a sexual encounter. The scene has variations for top and bottom players.

Damien (Fellow Student)

- **Study Sessions:** You can invite Damien to study with you in the library to increase friendship and romance points.
 - **Fun Scene:** Once your relationship is high enough, a "study session" can evolve into a sexual encounter in a private study room. You can choose to be the top or bottom.
-

TV Spy System

After the ship's systems are sufficiently repaired, you can ask Chip to bypass the privacy protocols and use the surveillance system to spy on your crew, revealing hidden secrets and voyeuristic scenes.

- **Rylan & Katari (The Soggy Biscuit):** You can catch Rylan and Katari in the lunchroom playing a crude frat game where they both masturbate over a cookie. Rylan wins, forcing Katari to eat the cum-soaked cookie and service him. *(Bonus: If you keep watching, Phoenix will enter the room later and lick the remaining cum off the table).*
 - **Arthur's "Checkups":** If Arthur is anchored to the medical stretcher in the lab, you can spy on him receiving visits from the crew. You can watch him willingly get double-penetrated by **Hakkon's** alien anatomy, or tag-teamed by **Phoenix and Bradley**.
 - **Zyron's Secret:** You can catch the imposing Zyron in the showers, where he secretly fingers his own ass and confesses his deep submissive desires for the Captain.
 - **Rylan's Alone Time:** You can catch Rylan admiring a holographic photo of you in his room, or engaging in a messy solo session where he accidentally shoots his load directly into his own mouth.
 - **Feraldo & Skru'Vaks:** You can eavesdrop on Feraldo confronting Skru'Vaks in the lunchroom, hinting at the alien's hidden past and true identity.
 - **Zyron & Jhaan:** A comedic argument in the hallway where Jhaan accidentally bumps into Zyron, resulting in a ruthless exchange of insults about their respective heights and "sizes."
