## Appearance

A cheerful, happy-go-lucky halfling with a welcoming smile, usually found tending to his eclectic shop in the town of Eldor.

## Personality

Flynn is incredibly upbeat, friendly, and notably perverted. He has a highly distinct quirk: he speaks entirely in rhymes. Beneath his cheerful merchant exterior is a highly sex-positive halfling who loves a good drink and a good time, completely unbothered by degradation.

# Story

"Flynn runs the **Wacky Wares Emporium** in Eldor, serving as the town's primary merchant. He sells everything an adventurer might need, from practical saddles and lockpicks to more mysterious wares. He is an active, cheerful member of the community and participates in local events like the Orpheus Festival."

## Spicy Scenes

Flynn's scenes revolve around lowering his inhibitions at the local tavern:

- **The Cum Bath:** If you get him drunk at the Peaceful Panda Inn, you can unleash a massive wave of cum over him. Unlike most who would be disgusted, Flynn dances in the endless stream of semen with his arms stretched and mouth wide open like he's dancing in the rain, begging for more.
- **Tavern Fun:** Depending on your choices while he is intoxicated, you can unlock scenes where he eagerly takes your cock, getting thoroughly fucked, spanked, and happily covered in your semen while still spouting witty, rhyming poetry.

## How to romance him?

Romancing Flynn is straightforward and focuses on casual, perverted fun rather than deep commitment.

- **The Wacky Wares Emporium:** Start by visiting his shop in Eldor regularly to interact with him.
- **Buying Drinks:** The key to unlocking his spicy scenes is taking him to the Peaceful Panda Inn. Buy him drinks to get him drunk. Once his inhibitions are lowered, his happy-go-lucky perversion takes the wheel, allowing you to initiate intimate, highly sexual interactions where you can use him as your personal dumping ground.
