Appearance

Jhaan is a Chon-Tan, a species that is delicate, slender, and small, typically around 4 feet tall. Chon-Tans have pointed ears and their skin can be grayish, brown, or green with radiant dots that glow in the dark. He wears a jumpsuit on the ship.

Personality

Jhaan is initially rude, temperamental, and reserved, earning him the nickname "Asshole Waiter." However, through player interaction, his personality can shift dramatically, becoming an obedient and submissive slave who addresses the player as "my owner."

Story

You first meet Jhaan working as a waiter at The Pulse nightclub on Akra. He was enslaved on Akra after his escape pod crashed on the second floor. You can save him, at which point he joins your crew and becomes the second pilot of your ship.

Spicy Scenes

- The player can "teach him a lesson" at The Pulse nightclub.
- He can be made to wear a chastity cage and a bowtie.
- He is involved in a group scene with Katari and Alastor where he is dominated and covered in semen.

How to romance him?

A BDSM relationship can be established with Jhaan after you save him from his enslavement on Akra. By making certain choices, you can make him your obedient slave.
