Appearance

Several parts of his body have been replaced by expensive, high-tech cybernetic parts.

Personality

Phoenix is overtly flirtatious and submissive, especially towards the player, whom he calls "my hot captain." He is eager to please and often makes sexually suggestive comments.

Story

Phoenix was a member of Galiano's gang in Akra before joining your crew. He has spent most of his life working for Galiano and is now looking for something more. He can be sent on missions and is a potential casualty in the battle against the Warlord, Arihama.

Spicy Scenes

- Phoenix can be found in the dormitories, sometimes covered in the player's semen from a previous encounter.
- He expresses a desire for the player to use him sexually.

How to romance him?
