Appearance

Sammuel is a young pilot.

Personality

Sammuel is a young, shy, and inexperienced pilot. He is often nervous and prone to panic, especially in stressful situations. He can be easily flustered and embarrassed, particularly during sexual encounters, but can also be pushed into a surprisingly dominant and verbally degrading role under the right circumstances.

Story

Sammuel is the pilot of your spaceship. You hire him on Akra, and he is present for many key events, including the rescue of the former captain, Isaac. He is often the target of teasing and harassment from other crew members like Chip and Asmodeo.

Spicy Scenes

- Asmodeo corners him on the bridge, verbally teasing him and making him flustered.
- Bradley is found trying to convince a nervous Sammuel to take his pants down on the bridge.
- The player can order Sammuel to show his ass and can slap it.
- In a group scene in the lunchroom, Sammuel is pressured into participating in a bukkake where the player is the center of attention. He is later coerced into taking a dominant role and verbally degrading the player.
- He is offered to the entity Iacchus as a "treat," leading to a scene where he is anally penetrated via magic.

How to romance him?

A relationship with Sammuel can be initiated by talking to him on the bridge of the ship. Your dialogue choices and actions will determine the nature of your relationship.
