Thuul is a Verdanti, a plant-like humanoid, and a wealthy, influential owner of an exotic food products company. He resides in a lavish, plant-filled penthouse on the second floor of Akra.

Role in the Story

Thuul serves as the original owner of the slave, [Zavx](#). He is a key character for players to access the second level of Akra and engage in unique "fun scenes" during their second visit to Akra.

Meeting Thuul

- **Location:** Thuul's Penthouse, Akra (Second Visit).
- **Trigger:** You can meet Thuul by visiting his penthouse after gaining access to the second floor of Akra.

Fun Scenes & Interactions

Can have fun based on being a vessel for his "seeds" or interacting with Zavx while he is being a vessel depending on role.
