

University

The University of Magic on Harmonia is a central location for learning new skills, interacting with key characters, and progressing several side quests. To access it, you must first travel to Eldor from Sunrise Valley and pay the **1,000 Gold tuition**.

First Semester Schedule & Events

Life at the university follows a strict schedule with classes during the day and fraternity activities in the evening. You must return to the dorms before **00:00 (Midnight)** or you will be locked out by Smashgut.

- **Day 1 (Introductions):** - You meet your professors: Gabriel (History & Elements), Virgil (Potions), and Hakim (Psychic Defense/Meditation).
 - **Fraternity (Archanor's Fire):** You settle into your dorm with your classmates (Cicero, Zyron, Lucius, Rylan, Damien, Krixus, and Saevel). Virgil secretly reveals a stash of alcohol and herbs hidden behind a wooden panel near the fireplace.
 - **Bathroom Encounter:** You discover Krixus (the Minotaur) and Saevel (the Elf) bullying Damien. You can intervene and fight them off using your combat skills, earning Damien's gratitude, or walk away.
- **Day 2:** History class with Gabriel covering the ancient gods of the realm (Archanor, Eldara, Helgrim).
- **Day 3:** Practical magic patterns. You learn how to channel energy through specific gestures.
- **Day 4:** A field trip to the woods with Virgil to forage for potion ingredients.
- **Day 6:** History class focusing on Orpheus, the God of Music and Passion, and his tragic lore.

Fraternity Life & Activities

Your downtime is spent in **Archanor's Fire**.

- **Dragon, Knights, and Mage:** Krixus will introduce this hazing game. Players earn points by completing challenges (like stealing Gabriel's underwear or messing with Virgil's potions). At the end of the semester, the player with the most points becomes the "Dragon" and can abuse the "Mage" (the loser).
- **Interactions:** You can hang out, study, or engage in Dom/Sub/Romance scenes with your roommates (like letting Zyron dominate you, or engaging in nocturnal fun with Rylan or Lucius).

Potion Crafting
