

Version 0.38

NEW

- Day 5 at uni (until classes are over at 2 pm). No Asmodeo classes on Fridays.
- Date with Diego. Dom route (bottom and top). Talk to him at The Pulse > Take me on a date.
- Added 2 scenes when whoring Rylan at the Panda Inn.
- Get Bull's cum part 3 talking to Krixus at the Frat, sub route.
- Arthur - He won the poll 'Justice for the forgotten'. Right now only part 1 of the dom route is available. Talk to him in the ship > Puppy play time. Sub route and romantic will be done later.

ART

- Arthur on all fours + a lot of toys.
- Several icons for items.

NEW ITEMS

- Lesser Lust Potion
- Lesser Restraining Potion
- Pup Collar. You need to buy this on Akra for new Arthur's scene.

I did not forget of Snake... I just couldn't do it. In the next version I want to catch up on my backlog.

That's all. Hope you like it!
