“

Appearance

Virgil is a centaur.

Personality

Virgil is a professor at the University of Magic and is known for being very forgetful, to the point that his students worry he will cause a disaster.

Story

Virgil is a centaur who runs the most renowned potion store in the town of Eldor on Harmonia. He also serves as a professor at the University of Magic. The player can attend his classes and interact with him there.

Spicy Scenes

- The player has the option to earn money pay for their university tuition with sexual "services."
- This can lead to a scene where the player has sex with Virgil in the shower.
- There is also a scene involving drinking his cum and a potential humiliation scene during one of his classes.

How to romance him?

Interactions with Virgil begin at the University of Magic in Harmonia. A relationship with him can be initiated by choosing to earn money to pay for your tuition with "services", which leads to intimate encounters.
