Life is a dance  
Love is the music  
Fate is the beat  
Life is made  
Fate is always there  
But the love is what has to be found

# Facebook Post\_ 2020-06-23T08\_13\_53.docx

I'm going to go-to bed with a soft voice whispering in my ear,  
As I get swept away on the beauty of dream filled nights,  
And surrounded by dreams on dreams of the voice the sounds so sweet  
And who the owner is I'll never know.

# Facebook Post\_ 2020-06-24T07\_48\_00.docx

I dreamt of you,  
I slept with you in my dreams  
In my dreams we were one  
In my dreams you were mine  
In my dreams she wasn't there  
In my dreams it was just us two  
In my dreams I wish I could be  
In my dreams I wish I could live  
Outside my dreams I wish, I could love you like I do inside my dreams

# Facebook Post\_ 2020-07-01T08\_58\_36.docx

My world was perfect  
My world was great  
My world had everything  
My world only needed  
My world one was missing  
The perfect boy  
Could you be that boy?

# Facebook Post\_ 2020-06-27T10\_21\_59.docx

The melody of your love is sweeter than chocolate  
Sounds better than any sonnet  
Your love is the aid I breathe  
The melody of your love must have been sent from above

# Facebook Post\_ 2020-06-30T10\_01\_51.docx

Green trees surround us  
Summer sun guides us  
The summer heat is our fire  
Yet winter has a hold on me  
Chilly winds surround me  
Making a distance between us  
Me the ice cold of winter  
You the hot passion of summer

# Facebook Post\_ 2020-07-02T12\_31\_18.docx

Love is a sonnet  
Love is a poem  
Love is a song  
But why do we love  
Lovers are writers  
Lovers are poets  
Lovers are singers  
Writers share their love  
Poets rhyme their love  
Singers sing their love  
Love is simply love

# Facebook Post\_ 2020-06-21T08\_28\_08.docx

Life is a dance  
Love is the music  
Fate is the beat  
Life is made  
Fate is always there  
But the love is what has to be found

# Facebook Post\_ 2020-06-22T10\_02\_29.docx

[Poem]

Life is a force

Fate a path traveled

But love is an adventure

Life can't be controlled

Fate just happens

But love is a miracle

# Facebook Post\_ 2020-09-02T09\_48\_13.docx

My tears have fallen  
My heart was broken  
My soul is sullen  
My will is forgotten  
When I lost you  
I forgot why I was me

# Facebook Post\_ 2020-09-10T16\_13\_11.docx

The stars silent cry  
Calls to the sky  
Only so that the hope can fall  
To be among the stars

# Facebook Post\_ 2020-07-24T19\_40\_39.docx

I sit upon a shelf  
Gazing out among my world  
Forever just watching it go by  
I look to see something new  
But can never seem to move

# Facebook Post\_ 2020-07-04T09\_22\_18.docx

The Greek gods are proud  
The Roman gods are weak  
The mythes are alive  
The seas are filled with passion  
We shall strike the gods down  
But only if we are together  
Together in our love

# Facebook Post\_ 2020-07-05T10\_47\_08.docx

The woods called me  
The rocks mourned me  
The people hated me  
My family loved me  
The water played with me  
My loves all turned away from me  
Will you turn away,  
Or will I have to?

# Facebook Post\_ 2020-07-06T08\_55\_06.docx

Life is love

Love is life

Boys love men

Men love boys

Light meets dark

Warmth meets cold

Air is filled

Passion is made

Passion made by a man and a boy

# Facebook Post\_ 2020-09-16T20\_00\_03.docx

Heart to heart  
You've seen my soul  
Soul to soul  
You know my love  
Skin to skin  
You know who I am  
Two turned into one  
Our love is unbeatable

# Facebook Post\_ 2020-07-25T18\_55\_10.docx

My dear friends  
Went through all my bends  
They helped me mend  
They loved me like a friend  
So this is for  
All my friends

# Facebook Post\_ 2020-07-09T10\_52\_44.docx

Smiles were fading  
Eyes were sinking  
Beds were rustling  
Sheets were warming  
Fires were crackling  
Everything was now  
Everything is still now  
Everything but us

# Facebook Post\_ 2020-07-28T19\_53\_08.docx

Up on dragon tooth ridge Awaits

Your destiny

Your love

Your fate

Your adventure

Up on dragon tooth ridge

Is the man of your dreams

# Facebook Post\_ 2020-07-27T23\_56\_38.docx

He was once mine  
But now he's yours  
He looks so fine  
But looks so poor  
He is poor in the mind  
But his heart is pouring  
He is mine in my dreams  
But yours in reality

# Facebook Post\_ 2020-09-13T23\_10\_46.docx

The waters have run red  
The sky gone dark  
The rain falling never ending  
Crimson tears fall from my face  
All because you left my world.

# Facebook Post\_ 2020-09-13T13\_55\_44.docx

Warm tea

Blazing fire

Comfy chair

These are what I have

The only thing missing is you.

# Facebook Post\_ 2020-09-09T09\_54\_30.docx

I'm surrounded by people all day  
Yet all day I feel alone  
I'm just looking for you  
But I just can't seem to find you  
I'm lost in a crowd  
Lost in my soul  
Lost without you

# Facebook Post\_ 2020-07-16T10\_21\_19.docx

Powers are controlled

Energy flows wild

Love grows tamed

Powers break loose

Energy dies tamed

Love breaks wild

# Facebook Post\_ 2020-08-02T22\_31\_57.docx

In the darkness  
I sing for you  
Waiting for you as I sing  
Your the light the darkness is missing  
I sing my heart and soul  
Waiting for you  
So we can break free  
And soar together  
Forever

# Facebook Post\_ 2020-08-03T22\_06\_19.docx

In the race of life  
The hare is never the winner  
In this life beautiful  
The world moves so slow  
Yet our lives are but the blink of an eye  
To the mighty mountains of mother earth

# Facebook Post\_ 2020-09-15T07\_31\_43.docx

Tick, tock, tick, tock  
Is all I hear  
The minutes pass to hours  
The hours pass to days  
I stand here waiting for you  
I see the place I want to be  
But I can't seem to get there  
I can't seem to reach you

# Facebook Post\_ 2020-08-05T00\_00\_16.docx

Dark nights

Stars filled our nights

Still dark even with the stars

Finding ourselves in the nights bright

Dark nights

# Facebook Post\_ 2020-09-16T14\_08\_48.docx

A cold chill

A soft flurry of snow

A icy glare

That's what you've done

You've turned my heart to ice

# Facebook Post\_ 2020-07-20T18\_57\_45.docx

Looking into your eyes  
All I see is the truth and love  
I'm lost in your eyes  
Swept away as if in a sea  
Drifting in the sea of your eyes  
I see who you are and you see who I am

# Facebook Post\_ 2020-08-06T21\_57\_01.docx

My mans eyes are as bright as sunshine

My mans soul is true free

My man stands tall

My man is my dream

My dream is forever mine

But never a reality

# Facebook Post\_ 2020-08-07T20\_01\_31.docx

Stars are shining bright  
In the deepest part of night  
It's with your might  
That I'll win this fight  
Your my love shining bright  
So let's say "love fills our night"  
Your my shining star oh so bright

# Facebook Post\_ 2020-09-18T12\_15\_34.docx

Standing in the fog  
Looking around, trying to find  
Find what you ask?  
Oh how I wish I could find it to know what it is  
It has eyes like yours  
It's made of dreams  
It gives kisses like heaven  
Wait! Are you what I'm looking for?

# Facebook Post\_ 2020-09-18T12\_17\_00.docx

Roses, lilacs, daisys  
Red, purple, yellow  
Name never mattered  
Colors are just names  
But you. You are special  
You are what matters

# Facebook Post\_ 2020-09-01T07\_36\_01.docx

I spent my life pretending  
Pretending that you were just a fairy tale  
But then I met you as you  
Sung the melody of our love  
I thought I could hide  
But you found me Everytime  
Your soul calls me every night  
Because you're my fairy tale come true

# Facebook Post\_ 2020-09-01T02\_51\_13.docx

A ship mournfully sings in the night  
All lights extinguished above  
Ripples soft and slow in the waters surface  
Abandoned in the desolate of night  
The ship waits  
The world indifferent to it as it waits  
No light but the light flicker from deep inside  
The lone ship in the desolate night eternal  
Waiting in the silence  
Waiting in the dark

# Facebook Post\_ 2020-09-17T22\_18\_07.docx

I see a ripple  
A ripple in the pond of my life  
That ripple was you  
You shook up my world  
You made me feel alive  
You set me free

# Facebook Post\_ 2020-09-20T10\_45\_32.docx

Miracles, Angels, and Blessings

These are sent from above

Luck, love, life

These are made here and now

Curses, evil, pain

These were created down below

So live your life with love

And luck will grant you what's above

And shield you from below

# Facebook Post\_ 2020-09-22T07\_21\_57.docx

If life were a song  
What would be the beat  
If love was a would it look like you  
If fate were the wind  
Would it blow us together?  
If we were meant to be together  
Would you be with me?  
Because I know I'd be with you.

# Facebook Post\_ 2020-09-19T08\_07\_14.docx

That look in your eyes  
The words in your eyes  
The meaning of your hands  
I can see what you don't want me to  
I can see the unspoken words  
I see what you feel  
Because that look in your eyes

# Facebook Post\_ 2020-09-26T23\_11\_59.docx

I hide among the trees  
Looking to hide from you  
But you somehow always find me  
I hide again and again  
But you always find me  
My heart tears everytime  
Everytime I think of you  
But you save me from the pain  
When you let me hide

# Facebook Post\_ 2020-09-23T07\_49\_09.docx

I close my eyes  
Just to see your face again  
Everytime it gives me a chill  
I close my eyes  
Remembering your every kiss  
It makes me cry with happiness  
I close my eyes  
Remembering your every touch  
It makes me wish to be back  
Back in your arms holding me

# Facebook Post\_ 2020-09-24T07\_51\_54.docx

When I'm with you  
I wish time would stop  
But against every plea  
Time just flies away from us  
Our time together seems short  
Compare to our time apart

# Facebook Post\_ 2020-09-25T09\_21\_05.docx

All I saw was green  
My life flashed before me  
All I felt was cold  
My heart sank with pain  
All I heard were cries  
My soul drifted in agony  
All I knew was you  
But when you left me  
You killed me

# Facebook Post\_ 2020-09-25T09\_24\_15.docx

The pain

Like a thousand needles

The sorrow

Like a million wailing crying eyes

My heart

Like a iceberg, a deadly trap

My heart waits to sink those who hurt me

# Facebook Post\_ 2020-09-30T13\_26\_56.docx

Looking upon the stars  
Will I see the future  
Staring into this cup of tea  
Will it tell me truth  
Shuffling decks of cards  
Will it clear this fog  
Uncertainty lays about  
It fogs my mind blinding me  
Blinding me to the path  
The path I need to take

# Facebook Post\_ 2020-10-01T07\_45\_28.docx

Drip, drip, drip  
Is the sound of rain  
I dream to hear the gentle heat  
The gentle heat of summer  
The rain gone dry  
The earth warm and moist  
Laying in summers sun

# Facebook Post\_ 2020-10-04T10\_51\_44.docx

Fires light fills the heart  
Fires joy pulses the flame  
The red of the flames laughs out loud  
The Qi flows bright down the vessels  
Summers heat burns strong  
Tongues quick of wit  
The fires passion rising in the summers sun

# Facebook Post\_ 2020-09-29T07\_56\_57.docx

In the jungle  
I heard a jangle  
In the city  
I heard a whistle  
With you  
All I hear is you

# Facebook Post\_ 2020-10-11T07\_49\_28.docx

I close my eyes  
I feel the sorrow  
I feel the pain  
I look everywhere I can  
I never seem to be what others want to find  
I'm a lost treasure  
Buried forever  
Always forgotten  
Always 2nd place  
To the seashells on the beach

# Facebook Post\_ 2020-10-05T07\_36\_52.docx

What's this?

A flutter in my heart

A twinge in my stomach

I feel so alive

I feel so shy

What's this?

I can feel a blush

I see my hands shake

What have you done to me?

Why did you make me love you?

# Facebook Post\_ 2020-10-16T18\_18\_07.docx

Found by spells unwritten  
Known through seperate passions  
Hidden from each other's sight  
By mountains and plains  
But hearts connected by caves and seas  
On the air this kiss floats  
On miles for hours I fly  
Fly just to see you for a night  
To hold you for just another movie  
I fly to see you, to be with you  
Found only by a spell never written  
Found by ways of caves and seas  
This kiss floats in the air  
Always floating till it finds you

# Facebook Post\_ 2020-10-28T09\_16\_55.docx

A soul so ancient  
A heart so willing  
A mind so knowing  
The body torn asunder  
The price of wisdom of age, of passion  
The price is the body the price is the company  
Standing on the precipice  
Standing alone in a crowd  
Feeling the pulse of life  
Feeling the weight of it all  
Was the price too much?  
Did it cost too much to come back?  
Time will measure to find the balance

# Facebook Post\_ 2020-10-15T16\_30\_17.docx

Hidden deep inside  
My passion slumbers  
Like a harp forgotten  
But your kiss  
Has struck a chord  
Sending a note through my soul  
A note of passion  
So strong and true

# Facebook Post\_ 2020-10-10T08\_35\_57.docx

I sit in the quiet  
My thoughts buzzing  
The "doors" always open  
Always hearing what I'm not meant to hear

I sit here waiting  
Waiting for this pain to end  
Waiting for salvation I won't ever see

I sit here waiting for my eyes to go blind  
And my ears to go deaf

I sit here waiting for you

# Facebook Post\_ 2020-10-25T13\_19\_28.docx

Simple aches  
A throbbing void  
My heart has much to give  
But no where to go  
All to offer but none to take  
This electricity inside me  
It burns me eternal  
My nerves have become raw  
My mind grows heavy  
Looking for the one  
The one who will understand  
Understand me and my gifts

# Facebook Post\_ 2020-10-07T12\_10\_47.docx

Alone I sit  
In a crowd  
No one sees me  
But everyone stares  
I call your name  
Only the walls hear me  
I am only yours  
But everyone claims me  
We can only be who we are

# Facebook Post\_ 2020-10-27T07\_50\_09.docx

Your arrogance has a cost  
Thoughts of being more  
Having no power to back it up  
The wind roars in anger  
The weather can't decide  
You've made your choice  
Your vanity has a cost  
This cost is my gift  
This cost is the curse you must bear  
The curse of indifference  
What you had to offer in my eyes  
That offer has wilted and died  
Enjoy my gift, endure your curse.

# Facebook Post\_ 2020-10-13T08\_35\_05.docx

As the stars fall from the heavens  
I look for only one  
The one that holds you  
My angel in mortal garb  
My saint, my savior  
My soul made whole  
The other half  
To my heartbeat

# Facebook Post\_ 2020-11-10T07\_57\_43.docx

Surrounded by the trees  
I look in the woods  
Finding my landmarks  
I wait to hear my call  
The birds hold secrets  
Never to be told  
The trees sway in the breeze  
Surrounded by mystery  
Ancient knowledge in every leaf  
Waiting for my call  
I feel peace  
The woods are home  
The woods make the world quiet and still

The cat chases the mouse  
Or is the mouse chasing the cat  
Soaring above and away it is hard to tell  
Soft rustles of air obscure the noise  
Is it a game or is it a hunt  
Neither looks up or notices me  
The danger is unnoticed  
While they chase one another  
They think they know the risk  
Shall I shatter their notions?  
Shall I show them their error  
Show them that death comes from on high...  
Shall I be the last shadow they see?

This isn't my fault  
Don't blame me  
This firestorm  
That blizzard  
This howling gale  
That earthquake  
My powers may be the cause  
But it's not my fault  
You broke what was shattered  
You should have known better  
Don't break what you don't want  
Your actions caused this end

Scratch, Scratch, Scratch  
I feel it crawl up my spine  
It crawls under my skin  
It looks through my eyes  
It sees the world  
It bares it's fangs  
The demon hiding inside  
My will locks it inside  
It scratchy, it claws  
It's a person unwelcome  
It drains my soul  
It makes my shoulders heavy  
This demon inside  
How long do I weaken  
What happens when the walls fall  
When my will is no more  
This demon inside  
He is coming  
He has seen it all  
He will not be stoppes

Blood of ancestors  
We make such calls  
But whom do we call  
Do we call to the ones  
Who were one with nature  
The ones thought to be savages  
Do we call to the ones  
Who were invaders  
Those who called themselves civilized  
When we reach out to ancestors  
Who decides who our blood calls out to?

What do you do?

When your heart is not enough

When you just aren't enough

When you are denied

When you haven't had a chance to play

When you have to say bye

Before you've even said hello

What do you do?

When your body is the only value

Stars above shining bright  
Glinting in the dark  
See this shimmer of light  
This is made of silver  
So light it glows in starlight  
Let me hold it out for you to see  
Silver cased of starlight to stay safe  
See my heart in my hands  
My silver heart shimmering in starlight  
Moonlight is too bright  
It will melt starlight silver  
So does my heart need a moon?

Gun on my hip  
Knowledge in my mind  
Reflexes of the wild in my spirit  
What I bring is death  
Upon a horse of any color  
I am feared  
Upon a horse I ride white  
I am prophesized  
Rotting to the core  
Prepared to apply the danger I am  
You were once able to see me  
You could have kept me sweet  
Instead you had me become hard  
Death riding a steed of white

Looking through the window  
I hea the boy say,  
"But it's broken...  
Who will want it now?"  
At his feet lay shattered  
Pieces of something,  
Looking towards the window  
The little boy shrugs his shoulders,  
In the little boys eyes I see through the window,  
The window looks at a mirror  
The window looks at a mirror  
So what do you do when,  
What is inside is broken?

Dancing here and there  
Graceful as the wind  
Swirling through clouds of smiles  
Dancing in and out of life  
Your an angel on two feet  
The rythmn of your dance  
Silent to all but you  
You sway and dance  
Smile on your face  
Being a shining light  
Dancing to bring hope  
Hope to all who see you
